# COOKE'S

## - RESTAURANT & BAR -

---

*Our produce driven approach ensures we use the best natural wholefoods and place an importance on choosing organic and ethical ingredients. We believe food should make you feel good! Organic and free range products are not only good for body health but also for the soil. We are passionate about creating our own food, such as cold pressed juices, pickles and ferments, house made preserves, activated nuts, churned butter and homemade jams.*

*The menu is designed to be shared and enjoyed by the whole table. Food will be served when ready unless requested to be served together.*
